## **Commander's Corner**

We will continue to go to City Council meeting and speaking in defense of the Confederate Veterans Monument in Hemming Park. This is our Heritage fight, and we will fight for what is right until the last man is standing. Kirby-Smith Camp #1209 is present at every meeting and presents the facts on the monument that commemorates the Florida Soldiers who paid the ultimate sacrifice for their State and Country. These men truly knew the meaning of Duty, Honor and Country. It is critical that we keep the heat on them and again we are asking you write another letter to a council member or call. The names, addresses and phone numbers are listed in this newsletter. Please make good use of them, the monuments depends on you. Take the time to make a difference in this fight, the win will depend on the side that rings their bell the most.

The renewal information is listed in this newsletter. Thanks to those members that have sent their camp dues in. If you have not renewed your membership, please consider doing today. The processing of dues is a large task and defers many camp resources. Please send your dues in as soon as you can. Kirby-Smith continues to be the largest camp in the Sons of Confederate Veterans and that status is entirely based on you. The largest camp has the largest deciding vote on the decisions of both state and national business. We take that responsibility seriously and the executive is committed to success of your camp.

This month's meeting is the Kirby-Smith Camp #1209 Cemetery Work Day in Old City Cemetery. Come down and show support for the Confederate Veterans at their final resting place on August 25, 2018.

Consider attending your camp's Executive Board meeting the first Monday of the Month at Uncle Davey's Americana at 6:30pm. You have a voice in the direction that Kirby-Smith Camp #1209 will take in the future. For more information on the Executive Board please give Lt. Commander Chris Bunton a call at 904.777.5111

**RECRUITS WANTED!**

**Kelly Crocker Commander Florida Division**

Gentlemen,

It's been two months since our Division Reunion and I wanted to update you on a few things. Please share throughout your command.

1. **White Springs Flag site** – A new 20'x30' Battle Flag is flying proudly! A new cable system was installed and the pole itself was repainted with epoxy paint. We expected the lights to be restored by now, but there is a slight hiccup with the Power Company. Rest assured, we are working it out. Reconditioning of the Memorial tablets and the floor tile still need to be completed. Thank you to all Camps and individuals who donated to this cause and thanks to all who came out and worked to get our flag in the air again.

2. **Florida Division Building in Trenton** – Commander Lindsey received the "Certificate of Occupancy" a few weeks ago! We can officially use our building. There is still a lot of work to be done. We had thought that SCV-IHQ were part owners in the building. This is not true. They know about our building and are interested, but the out-going administration "passed the buck" to the new Commander-in-Chief. I will not let them forget about it.

3. **Tools for our members** - The "Guide to Confederate Issues in Florida" has been updated and reprinted. Brigade Commanders will be receiving copies to distribute among their Camps, soon. Extra copies are available for \$1 each (our cost) by contacting Commander Calvin Hart at [calvinhart@bellsouth.net](mailto:calvinhart@bellsouth.net)

4. **Division Newsletter** – Compatriot Jeff Sizemore was agreed to publish the "Blockade Runner" again. The Blockade Runner is a good place for you to showcase your activities. Division Officers and Committees should make reports in the Blockade Runner as well. Your participation in the newsletter will determine its success. Contact the Editor at [flblockaderunner@gmail.com](mailto:flblockaderunner@gmail.com)

5. **Florida Monument at Franklin, TN** – The Florida Division is in the "Fact-finding" stages for placing a Florida Monument in a SCV owned park at Winstead Hill in Franklin, TN. Over 1000 Floridians in the Army of Tennessee participated in the battles around Franklin and Nashville, TN; many never came home. Many states are already represented there, and Florida will be too. We will let you know when we get a couple of quotes. This will be something your Camp can participate in..

6. **National Reunion** - Good Reunion this year. The members elected Paul Grambling of Louisiana for Commander in Chief, Larry McCluney of Mississippi as LT Commander. Jason Boshers of Tennessee was elected as our new Army of Tennessee Commander and Jimmy Hill of Alabama is the AOT Councilman. Next years reunion is in Mobile, Alabama <https://scvsemmes.org/2019-scv-reunion.html> make plans to attend.

Make plans now to attend the 2020 SCV National Reunion to be held at the World Golf Village near St Augustine, Florida. Your Confederate Ancestors attended these reunions...it is your duty to attend, as well. The 2020 Reunion is in our back door. Floridians need to be there in full force. <http://scv2020reunion.com/>

7. **Heritage Operations** – Our Heritage is being attacked on many fronts. Pensacola, Jacksonville, Lee County/Ft Myers, St Augustine, Lakeland, Hollywood, and Bradenton, to name a few. Local Camps and other Heritage groups are fighting in some areas; while Save Southern Heritage (SSH) <https://www.sshfl.org/> and the Sunshine State PAC (SSHPAC) <http://www.sunshinestateheritagepac.org/home.html> are fighting as well. These two groups are led by SCV members. I encourage each SCV member to join these two groups. SSH is only \$25 per year. Stay informed! SSHPAC is a donation of your choice. Each Camp can participate in this battle. We need you contact if you can attend meetings, speak at meetings, or help in any way.

That is all for the moment. Please contact me anytime at [commander@flscv.org](mailto:commander@flscv.org)

In the bonds of the South,

Kelly Crocker Commander, Florida Division Sons of Confederate Veterans

## 2018 National Reunion Franklin Tennessee

During the 3<sup>rd</sup> week of July the camp came together and headed to Franklin Tennessee for the 123<sup>rd</sup>

National SCV Reunion.

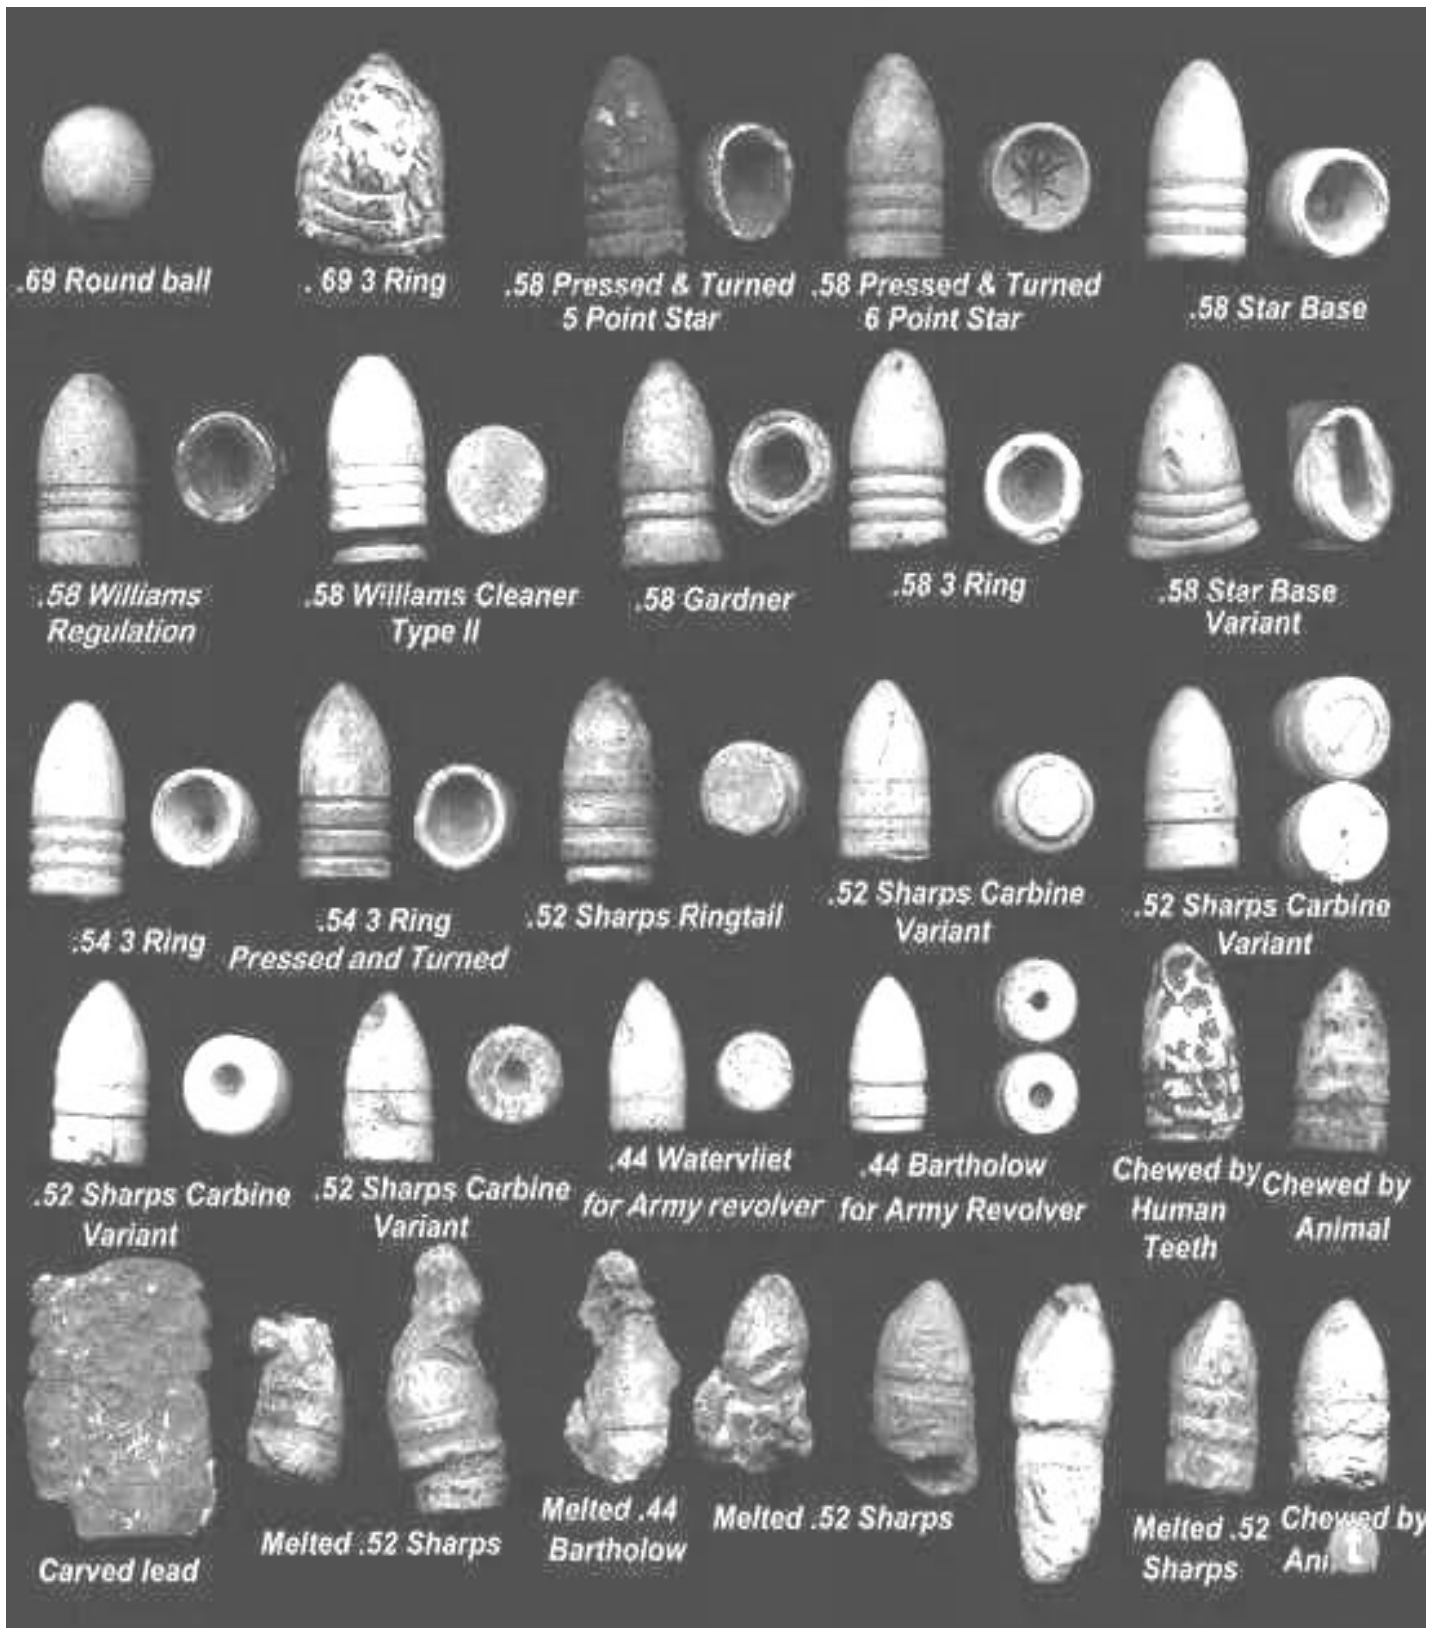

On the trip up we decided to make a few interesting stops, Hank Williams Memorial and Resting place, The Alabama Confederate Home and Forrest Boy Hood home. We had ten people come and it truly was an amazing time for all.

This year was important for us as the 2020 Reunion is coming up and we paid close attention to the activities and what is needed to have a great reunion. We attended most of the events and learned a great deal about what is expected and some things we can do the Kirby Smith way and have a ball. During the reunion the bid for the 2020 was officially voted on by the general body and given to the camp.

This year was special because we attended the dedication ceremony for our Confederate Museum in Elm Springs. We drove to the National Headquarters where the foundation was currently being laid, literally they were pouring concrete when we were there. We also toured the Carter House where some of the heaviest fighting occurred. We broke off and visited the spot where General. Cleburne fell and his monument. It was not all business and enjoyed by all who came. Thank you all who made the drive out and hope to see you in Mobile, Alabama for the next Reunion.

**This Civil War Bullet Identification Chart can help you identify some of those minie' and round balls that you find .**

## We Need Camp #1209 Members to be Recognized in Program

## “It Not over to the Last Standing Member”

**Please Keep the Writing, Calling and E-mail Effort Up it is Making a difference  
The Success of this Fight Depends on You**

The storm has reached Jacksonville, the Occupy Jacksonville, announced they want to take down Confederate monuments. They think they can run over us and stomp the very Southern Heritage we hold so dear. It is now time for us to fight and as in the military, as in any organization, giving the order might be the easiest part. Execution is the real game. The first course of action is letting the city council know that we are concerned about the attacks on our Monuments in Jacksonville and we will not stand for the removal of these monuments which commemorate American Veterans. We need you to get involved in this fight; the simplest and first thing is to write a note and place in the enclosed addressed envelope to a council member. Put a stamp on the envelope and place in the mail. We need your support in this fight and without it we will lose these monuments it's that simple. Just like the Confederate volunteer soldier, you are fighting for country and your rights, and that you are the most reliable soldier on earth.

The letter should explain why you want the monuments to remain where they have been located 117 years. These are Veteran's monuments commemorating their patriotism and to take them down is saying you don't support Veterans. That is one talking point. Be respectful in your letter but get your message conveyed in writing. We are depending on everyone who receives this newsletter to take the time to write a short note and place it in envelope, stamp and mail it. Your Camp needs you and your ancestor needs your support.
